PACKAGE THIS CHRISTMAS?

Kindly send Rs. 4000 for each child in favour of:
MICHAEL JOB ORPHANAGE

Christmas is a festival of love, care and to celebrate the gift of God. Children love Christmas, and they celebrate it wholeheartedly in MJC.

Every year on Christmas, our daughters at MJC receive a gift package which holds all the necessary requirements they need for the entire year. The gift package consists of beneficial things that a child needs in her daily life. These gifts cannot be given to the girls without the generous help of the donors who share their love with the girls and bless them abundantly. Your generosity would mean the world to the girls in this time of adversity.

Share your affection with our girls and bless them with your generosity.

This year's package will include:

- One complete blue uniform (shirt, pant, belt, tie and socks)
- One complete white uniform (shirt, pants, belt, tie and socks)
- One pair of white sports shoes
- One pair of black formal shoes
- Three sets of undergarments
- One set of casual/daily wear dress
- One set of dress for special occasions

Feminine supplies

(over 150 girls are above the age of 12)

A considerate way to celebrate:

**Birthday! Wedding! Wedding Anniversary!
Birth of a child! Remembrance Prayer!**

Celebrate with 203 underprivileged daughters, economically poor children and 148 support staff. The children would pray and sing for your good health and well-being. Send in your photograph a week before, and it will be displayed before the children as they pray for you and your family.

Sponsor a meal...

Breakfast: Rs. 5,000/-

Lunch: Rs. 15,000/-

Dinner: Rs. 10,000/-

In addition, donations are embraced with prayers for the girl's home. Your donation and gratuity for our daughters can be sent across through Cheque/ Draft or MO/EMO in favour of:

Updates } August 2026

THIS IS A PRIVATELY-CIRCULATED UPDATE ON THE ACTIVITIES OF MJC FOR OUR SUPPORTERS.

Dr. Mary Job
Chairperson

CHAIRPERSON'S MESSAGE:

Dear Friends, Donors, Alumni, Well-Wishers, and Partners in Service, Warm greetings in the precious name of our Lord and Saviour, Jesus Christ.

Twenty-five years ago, our beloved founder, Dr. P.P. Job, envisioned an institution that would provide quality education, care, and hope to underprivileged girls, empowering them to become confident, compassionate, and responsible women. Today, by God's grace, that vision continues to flourish. Thousands of young women have been educated, nurtured, and equipped to build meaningful lives, making a positive impact in their families and communities.

This remarkable journey would never have been possible without the unwavering support of our generous donors, sponsors, alumni, churches, friends, volunteers, dedicated staff, and every individual who has stood with us over the past twenty-five years. Your prayers, encouragement, financial support, and partnership have enabled us to provide education, residential care, vocational training, healthcare, and holistic development to countless deserving students. On behalf of the entire Michael and John Job family, I extend my heartfelt gratitude to each one of you. As we celebrate this Silver Jubilee, we also celebrate the lives that have been transformed through your generosity. Every classroom built, every scholarship provided, every meal served, every opportunity created, and every dream fulfilled bears witness to your kindness and God's faithfulness.

While we rejoice in the achievements of the past, we also look ahead with renewed purpose. Many more young girls continue to seek hope, education, and opportunities for a brighter future. Their dreams depend on the continued compassion and partnership of friends like you. Therefore, I humbly invite you to continue walking alongside us as we strengthen our mission of empowering young women through quality education, skill development, character formation, and Christian values.

Together, let us build upon this legacy and continue transforming lives for generations to come. With God's guidance and your continued support, we are confident that the next chapter of Michael and John Job Centre will be even more impactful than the last.

As we commemorate this special milestone, may we remember the words of Psalm 126:3: "The Lord has done great things for us, and we are filled with joy." We also hold fast to His promise in Jeremiah 29:11: "For I know the plans I have for you... plans to give you hope and a future."

Thank you for believing in our mission, sharing our vision, and standing with us through these twenty-five remarkable years. May God richly bless you and your families for your generosity, faith, and enduring partnership.

With sincere gratitude and blessings,

Dr. Mary Job

CEO'S MESSAGE:

Some journeys are measured in years; ours is measured in lives touched, dreams awakened, and futures transformed. As Michael and John Job Centre (MJC) completes 25 years, our hearts are filled with one overwhelming emotion—gratitude.

To every donor, friend, well-wisher, volunteer, and partner who chose to believe in us, thank you. Your kindness has been the quiet strength behind every opportunity created, every young woman empowered, and every success story that began with a simple act of generosity. You have reminded us that lasting change is never the work of one institution, but of a community united by compassion.

This Silver Jubilee is not the end of a chapter—it is the beginning of a new one. With hope in our hearts and your continued partnership beside us, we look forward to reaching many more young women with the gift of education, dignity, and opportunity.

Thank you for standing with us yesterday, believing in us today, and inspiring us to build a brighter tomorrow—together.

Silver Jubilee Celebration – A Memorable Milestone : With hearts overflowing with gratitude to Almighty God, Michael and John Job Centre (MJC) celebrated the Silver Jubilee of Laying of its Foundation Stone on 26th June 2026 at the John Job Auditorium. This historic occasion marked twenty-five years of unwavering commitment to quality education, character formation, and compassionate service, celebrating a legacy that has transformed countless lives through faith and learning.

The celebration commenced with special prayers, seeking God's abundant blessings upon the institution, its management, faculty, staff, students, Alumnae, and well-wishers. The prayer service reflected the institution's unwavering faith and its commitment to placing God at the centre of every endeavour, dedicating the future of MJC to His guidance and grace.

Silver Jubilee Park inaugurated : Silver Jubilee celebrations continued with a tree plantation at "Silver Jubilee Park", led by Dr. Mary Job. It symbolized growth, hope, and the institution's commitment to a sustainable future and environment. Dr Mary Job, Mr T. Koshy, Mr Babu P. Varu, Mr Pradeep, Prof Christoph, CEO, Principals and HODs planted fruit bearing trees. Every tree planted stands as a living reminder of this historic milestone and represents the institution's commitment to nurturing future generations and the environment.

"Planting hope for the future."

Unveiling the Bust of Founder Dr P.P. Job: One of the most significant moments of the celebration was the unveiling of the bust of our beloved founder Late Dr P.P. Job on the Cross Platform in front of the Chapel. This ceremony paid tribute to his visionary leadership, steadfast faith, and lifelong commitment to education and service. The statue stands as a lasting symbol of his enduring legacy inspiring every student, faculty member, and visitor to uphold the values of integrity, humility, excellence, and selfless service.

Freshers' Day 2026 : As part of the Silver Jubilee celebrations, Michael job college of arts and science joyfully welcomed a new generation of students and their families. Filled with hope, excitement, and heartfelt emotions, parents entrusted their daughters to the care of the institution, believing that Michael Job College of Arts and Science would become a place where their dreams would be nurtured and their futures transformed.

The campus echoed with warmth as the management, principals, faculty, and staff received every family with open hearts, assuring them of a safe, caring, and value-based environment where every student is encouraged to grow academically, morally, spiritually, and personally. The orientation programme introduced the freshers and their parents to the vision and mission of the institution, while cultural performances by senior students reflected the vibrant spirit of campus life. As students explored their new home, they began building friendships and embracing the opportunities that await them.

Empowering Educators for a Brighter Tomorrow : With a vision to nurture excellence in education, the IQAC of Michael Job Memorial College of Education for Women successfully conducted a two-day Refresher Course on "Outcome Mapping and Competency Assessment for 21st Century Education" on 29– 30 May 2026. The programme inspired educators to embrace innovative teaching practices, outcome-based learning, and technology-driven assessment methods that prepare students for the challenges of the future. Through enriching expert sessions, interactive workshops, and collaborative learning experiences, participants renewed their passion for teaching and strengthened their commitment to shaping competent, confident, and compassionate future generations. The programme stood as a reflection of the institution's unwavering dedication to academic excellence, continuous professional growth, and transformative education.

Two-Day Refresher Course

Alumnae Meet : One of the most heart-warming highlights of our Silver Jubilee Celebrations was the Grand Alumnae Meet. The event brought together Alumnae from various batches who had studied at our institution over the past two and a half decades. It was a joyous reunion filled with cherished memories, heartfelt conversations, and renewed friendships. 127 Alumnae and their families travelled from different places to be part of this milestone celebration. They were warmly welcomed by the management, faculty members, and current students. The atmosphere was filled with nostalgia as they shared memorable experiences, recalled their student days, and reflected on the values and life lessons they had received during their time at MJC.

Cherished memories, heartfelt conversations, and renewed friendships.

Graduation Day : To honour the graduating students of the Michael Job College of Arts & Science and Michael Job College of Education, The Graduation Day 2026 was held on Saturday, 27 June at MJC. The ceremony was a proud and memorable occasion that celebrated the academic achievements, perseverance, and dedication of the graduates and their proud parents as they completed an important milestone in their educational journey.

The ceremony was graced by Dr. R.S. Sharma, IAS, Distinguished Visiting Professor, IIT Kanpur, who served as the Chief Guest. In his inspiring address, he encouraged the graduates to pursue excellence, embrace lifelong learning, and use their knowledge and skills to contribute positively to society.

The event was held in the gracious presence of Dr. Mary Job, Chairperson, MJC, whose vision and commitment to empowering young women through quality education continue to inspire the institution.

Recognition and appreciation of our long-serving staff members : Another meaningful part of the celebration was the recognition and appreciation of our long-serving staff members, whose faithful service, dedication, and tireless commitment has significantly contributed to the growth and success of MJC over the past twenty-five years. Their years of selfless service were honoured with appreciation, acknowledging the invaluable role they have played in building and strengthening the institution. This recognition reflected the institution's deep gratitude for their loyalty and reaffirmed that its greatest strength lies in the people who have devoted themselves wholeheartedly to its mission.

The celebration also featured inspiring audio visuals of our history, messages and testimonials from donors and beneficiaries and cultural performances that reflected the institution's rich heritage and remarkable achievements. The event culminated with a sumptuous lunch for all attendees. As we celebrate this historic milestone, we thank Almighty God for His abundant faithfulness and guidance throughout the past twenty-five years.

Building a healthier tomorrow

Building As a Teaching Aid : At Michael Job Matriculation Higher Secondary School, we embraced the modern concept of using Building as a Teaching Aid (BATA). By turning everyday spaces into learning touchpoints, we allowed the environment itself to become a teacher. This initiative began with Mathematics and soon expanded to English, Tamil. Students also developed mathematical laboratory models using waste and recyclable materials, demonstrating concepts such as geometry, symmetry, fractions, and measurements. The "Best Out of Waste" initiative inspired students to convert discarded materials into innovative learning aids, promoting sustainability and resourcefulness. The model-making process helped students learn how to handle materials safely, plan designs, apply creativity, and work collaboratively while strengthening their conceptual understanding. These hands-on activities bridged theory and practice, encouraging inquiry, innovation, and experiential learning.
